

VIII APECS ITALY NATIONAL CONFERENCE

The Association of Polar Early Career Scientists Italy (APECS Italy) is pleased to invite you to the [8th National Conference](#), which will be hosted at the CNR headquarters in Rome.

Following on from the [First National Polar Conference](#) (5-7 October 2026), the conference will provide an important opportunity for discussion, networking, and scientific exchange, bringing together leading figures in polar research

Presentations by young researchers will be complemented by contributions from leading experts in the field, offering valuable opportunities for scientific insight throughout the two-day conference.
